Class History

We were the little forty-ners of Arlington High School, for on September 12 of that year 48 bright talents invaded Mr. Carter's and Mr. Wells' first grade rooms. Our classmate, Donna Sauters, left us during the year.

Our second year of school was under the leadership of Mr. Simpson and Mrs. Wells. Over the summer we lost Lana Feasels, Wendy Smith, Danny Rombarger, Larry Swank, Javie Yates, Glenn Lafferty and John DePay. We had 7 new classmates, Barbara Bowers, Mr. Dennis Day, Sue Solomon, Phyllis Redick, Jimmy Sparks, Mary Chamberlin and Wallace Spurlock, to join us that year.

Mrs. (June) Marshall and Mrs. (Pratt) Miller were our third grade teacher. We lost Wallace Spurlock and Phyllis Redick, Bonnie Decker, Edward Reagle, Colleen Decker, Thomas Deahl, Edgar Patton and Connie DiOnne joining giving us a total of 50.

Again Mrs. Marshall along with Mrs. Beech was in charge during our fourth year. We lost Bonnie Decker, Colleen Decker, Thomas Deahl, George Leach, Jimmy Sparks and Mary Chamberlin. Our class gained Danny Hughes, Terry Poe, Carol Fletcher and Karen Haley.

Our fifth year was led by Mrs. Connell, Mrs. Burton and Mrs. Jacobs. Connie DiOnne was our only loss that year. Becky Brink, Wayne Smith and David Rice were our new classmates.

Mrs. Foltz and Mr. Gobrecht guided us during our sixth year. We lost Wayne Smith, Becky Brink, Carol Fletcher and Terry Poe. Larry Dunn joined us that year.

Our seventh year of school was spent with Mrs. Falk and Mr. Willers. We lost Larry Dunn, David Reagle, and Edward Reagle. During the year Dick Mercer, Beverly Feasel, Addie May Rice, Dale Costello, and Richard Cannode joined the class giving us a total of 46.

Our last year of Junior High was guided by Mrs. Welty and Mr. Bibler. We dropped down to 37 students when David Rice, Addie May Rice, Beverly Feasel, Dale Costello, Richard Cannode, Sue Solomon, Janet Musgrave and Norris Beach left. But we reached 39 with the addition of two, Louvella Smithers and Lanny Dillon.

September 5, 1957 was our first day of high school. Our Freshman advisors were Mrs. Knight and Mr. Castor. We lost none and gained two, David Middleton and Janet Cavins.

Our Sophomore year was spent with our advisors Mrs. Knight and Mr. Trostmiller. We lost Janet Cavins that summer. Donna Sauters, Dean Suter and Doris Halsey joined our class. Donna Sauters left later that year. Our total was 38.

Our advisors during the Junior year were Mrs. LaRoche and Mr. Mengert. Doris Halsey, David Middleton and Edgar Patton left. Bill Grostick and Bob Penrod joined our class of 39 students.

Mrs. Beach and Mr. Rest advised us our Senior year. Howard Skeeters left over the summer and David Smith came back that Fall. With his leaving, our total was 38.

FOOTBALL REPORT

On August 10, 1963, 48 eager boys gathered at the schoolhouse to receive their practice equipment.

September 10: ARCADIA This team was a lot rougher than expected. Jameson and Davis led the scoring attack. Arcadia managed to penetrate our defensive unit once for a touchdown and a conversion. But we still won 18-8.

September 23: VAN BUREN The Red Devils were overconfident for the first few minutes. Van Buren took advantage of this and scored a touchdown and a conversion. From there on it was Arlington all the way. Essinger, Jameson, Davis, Feasel, Smith, Johnson and Crates were all effective in the scoring department. We finished with a 32-6 lead.

September 30: CORY RAWSON This was considered one of the important games of the season. However it did not prove to be a contest. The defensive unit played an excellent game in holding Cory Rawson to nothing while the offensive unit tallied 28 points to give us a 28-0 win.

October 7: LIBERTY BENTON We played a weak LB eleven. This proved to be no contest. Everybody got to play and we went home with a 44-0 margin.

October 16: MT. BLANCHARD To the squad this was the most important game of the year. No offensive action was seen in the first half. However midway in the third quarter Mt. Blanchard opened the scoring gates for a six pointer. The conversion failed. Arlington tied the score early in the fourth quarter as the Red Devils recovered a fumble on the twenty-five, and Jameson went over from the three yard stripe. Conversion failed. With the first half of the final stanza gone, a Blanchard halfback ran twenty-five yards to the AHS five and two plays later they scored. Conversion failed. With two minutes left in the game Arlington again capitalized on a miscue by recovering another fumble. Dennis Feasel then went over from 13 yards out to tie the score. "Two point" Charles Crates then put the game on ice by scoring the first conversion of the game. When the gun sounded, we had a 14-12 victory.

THIRD ROW: Assistant Coach, Howard Frohmiller, Charles Nicholson, Jan Kemerley, Steve Metzger, Ronnie Wolferd, Mike Bowler, Bob McKinley, Bob Margart, Jan Steinman, David Powell, Tom Peter (deceased), Charles Crates, Coach Harold Castor. FOURTH ROW: Jeff Rettig, Dean Davis, Danny Eatten, Jerry Hinkle, Dean Finger, John Reiley, Joe Bishop, John King, Bill Alge, Lee Alan Best, Don Steinman, Marvin Rower, Bill Davis, Rex Bishop.

October 21, MC COMB In this game Arlington again took advantage of miscues by turning two fumbles into touchdowns. David Davis provided all the scoring padding going over from the 2, 3, and 4 yard stripes for T.D.'S Charles Crates scored the only conversion of the game. Russell Brauneller did an excellent job of punting and helping the defensive unit to contain McComb in their own territory. With this 20-0 win Arlington clinched a tie for a county-loop crown.

October 27: VAN LUE This game decided whether or not we would have to start the championship crown. In the second quarter Van Lue scored from one yard out. Conversion was good. After the half Darol Jameson shocked everybody as he returned the kickoff eighty yards for our first T.D. Conversion failed. We had to get another touchdown to win. However, midway in the fourth quarter, the Red Devils showed they were not to be denied as Jameson went over from the five on a boot-leg play. This time Davis scored the conversion. We won the game 14-8 as well as the championship.

November 4: HARDIN NORTHERN Darol Jameson did most of the scoring with a pair of touchdowns on a six yard drive and a sixty yard sprint. Dennis Feasel scored the other T.D. for Arlington on a one yard plunge. "Two-point" Charlie Crates scored the conversion for all three touchdowns. Hardin Northern scored one on a ninety yard end-around play in the second quarter. The conversion failed. This was the last game. We won 24-6.

Several on our team received outstanding awards. Bob Penrod, Dave Davis, Darol Jameson, and Lanny Dillon placed on the All-Country first team. Bob Penrod and Darol Jameson placed on the CLASS A All State teams.

To Mr. Castor the team desires to express their appreciation for his splendid services to them. We realize now, more than ever before, what a masterful coach he is.

"Musical Memos"

Sixty-three members reported to summer-band practice Tuesday, June 19, to begin another season of rehearsals and entertaining the public.

The homecoming parades were highlighted by the Arlington High School Band at McComb, Rawson, Mt. Blanchard, Forest, Valley, Dunkirk, and Arlington. Marching at the county fair concluded the season. Throughout the summer and into the fall, at football games, the crowds applauded as the snappy band came into view, doing high stepping, precision marching.

On October 22, we marched in the Findlay College Homecoming Parade and received a trophy for first prize. There was much pep and enthusiasm as we helped to support our champion team. The marching band closed its season by attending the Ohio State vs. Indiana football game. Both the practice session at St. Johns Arena and the half-time show were very inspiring to all of us.

Then the mixed, boys, and girls choruses were organized. Our first project was the annual Christmas program. We initiated a new type of program this year. The combined choruses performed during the first portion of the program and rendered a variety of selections. For the second portion, the mixed chorus presented an outstanding cantata.

"Musical Memos"

After the vacation the music department made themselves very busy during the year preparing for the mid-winter band concert and the contests. Several members were selected to participate at the County Music Festival, January 21, at Vanlue.

Eleven students were chosen to take part in the District Music Festival February 4. Many of our musicians held responsible positions and added to these festivals immensely. The music department presented the annual "Spring Musicales" with all the large groups and many ensembles performing. It was an outstanding success.

Many thanks, Mr. Willeke, for the fine instruction and patience during the past year. It is certainly appreciated by everyone.

S.P.Q.R.

Five years ago a Roman banquet was held at Arlington High. The students who were then taking Latin invited as their guests, students who had taken two years of Latin. The banquet was held in the original tradition. The guests wore togas and sandals as did the Romans in ancient times. Every year since then, a Roman banquet has been held. Every year the Juniors and Seniors who have taken two years of Latin look forward to this banquet in the spring. This year's was held April 21, 1961.

During the five years since the Latin Club was organized its members have done well academically in the state. Every year, one or two of the Latin students rank high in the Scholarship tests. Former members who ranked high are: Carolyn Boehm, Judy Grieser, Ann Jameson, Larry Crates, Lois and David Powell and Barbara Badertscher. Good luck this year.

All of this work is done under the capable guidance of Mrs. LaRoche. She has helped us beyond the classroom in many ways. With all of our gratitude we thank you, Mrs. LaRoche.

The present Latin Club consists of 27 members. The officers are: President, Charles Nicholson; Vice-President, Ann Long; Secretary, Janet Jolliff; Treasurer, Charles Crates; and Reporter, Marvin Rower.

G. A. A. Activities

The purpose of the Girl's Athletic Association is to help its members practice and enjoy sports and sportsmanship.

We can truly say that the past year has been a most enjoyable one. Under the guidance of Mrs. Schafer, we have participated in such sports as golf, archery, badminton, scoop ball, shuffle board, table and court tennis, and soccer.

We also must not forget the outstanding program of inter-school volleyball and basketball. This was added last year and has proved to be very popular.

The official business of our organization was in very good hands this year. The following officers were elected in September: Karen Bishop, President; Linda Warner, Vice-President; Lois Wilson, Secretary; Barbara Bearl, Treasurer; and Sally Inbody, Reporter.

The GAA once again sponsored the football homecoming and dance. Highlighting the evening was the crowning of Queen Connie Wilson. Her attendants were: Connie Bowers, Linda Warner, Lois Wilson and Sue Long.

In the spring Cindy Bash, defending champion, will defend her title in the Table Tennis Tournament.

After the tournament, our annual spring dance will be held. This event is always popular and ends the year with the right touch.

Our New Industrial Arts Lab

INDUSTRIAL ARTS this year has been an orientation for the high school students, covering such areas as woodworking, drawing, metalworking, electricity, and ceramics.

It is hoped that each student found industrial arts interesting and useful this past year, and able to establish a hobby from his experiences in the laboratory. It is also hoped that the experience gained in

group planning, organizing, and group project work helped in the social growth of each student. Because this is an industrial age in which we are living, the student should have gained a better understanding of industrial methods and a better appreciation for our American way of life. During the student's study of industrial processes, it is hoped that a better understanding of manufactured products was gained and that the student will exercise better consumer judgment when making purchases. It is also hoped that some interest and thought has been made by the student toward preparation of an occupation.

Since this year was the first for Industrial Arts, a great deal of effort has gone into the department by both students and teachers in the construction of tool cabinets, tool holders, and general laboratory arrangement of equipment. Many thanks to all of the students that helped make Industrial Arts a success this year.
